Flood Report

Michael Farmer, Town Manager explained Bluestone has been cutting down the marked trees. This has to be completed by April 1st date is due to Department of Natural Resources standard rule of construction due to bat hibernation. He met with the Engineer and they made some modest modifications to the flood plan. Kip Headdy reported the heavy rain didn’t cause any flooding of old Town Hall over the weekend and the water was about ankle deep on Vine Street around 12:30 pm. He was in contact with the Emergency Management director Jamie Neble for progress on the rain stating most of the heavy rain went South missing the Town.
