**Preliminary Plat Pre-Approval for 115 Lots (151 Acres) in Phase 1 of the Proposed Harmon Farms Subdivision (7633 W. State Road 46); Petitioner: Chris Smith; Case No. PC 24-14**

**Denise Line, Planning Director**, explained the Petitioner is requesting pre-approval of the preliminary plat for Phase 1 of the Harmon Farms subdivision, this would allow the issuance of a grading permit so the Petitioner can begin infrastructure and rough-in of streets. Grading of Phase 1 will include a connection on Harmon Farms to Sycamore Drive, Petitioner will begin grading for this connection on his parcel only. Lots will not be sold, structures cannot be constructed and building permits will not be issued. Before the Petitioner can seek formal approval of the preliminary plat, approval of the variances from the Board of Zoning Appeals and a traffic study will have to be provided. Staff requests pre-approval of the preliminary plat with the conditions of an approved grading permit and a copy of the temporary construction entrance permit from INDOT.

**AJ Willis, Engineer, Bynum Fanyo & Associates** stated that the Town of Ellettsville utilities are sufficient to handle the additional load created by this development.

Dan Swafford stated this request is not typical and asked what would happen to the land if the pre-approval were granted and the variances were not approved.

**Chris Smith, Petitioner**, explained this project is large and will be built over time. The variances are more to do with lot sizes and the road alignments probably won't move much, if at all. This approval would allow him to clear trees and debris, and dismantle the old barn on the property. While this work is being done, they will be back to the Plan Commission for preliminary plat approval.

**Norm Wampler Jr., Resident**, asked about the number of homes being built in the subdivision, the definition of a village center, and if a traffic study was being done.

David Drake made a motion to approve the pre-preliminary approval and Pamela Samples seconded the motion. Roll call vote: David Drake-yes; Dan Swafford-yes; Steve Hale-yes; Zach Michael-yes; Pamela Samples-yes and Pat Wesolowski-yes. Motion Carried.
