**Jim Davis**, Ellettsville Fire Department presented the Council members with a Cumulative Fund Balance sheet to show current balances in the funds with an eighteen month projection balance. An EMS squad vehicle needs to be replaced. The State bid price is \$22,695 for a 4 wheel drive Ford Explorer. The current squad truck is a 1984 or 1986 ex-military model. The engine might last a little longer but the body is falling apart. He is asking the Council to allow the Clerk to do an additional appropriation for \$14,000 out of this year's Cumulative Fire Fund for a down payment on the vehicle and also to purchase a smaller light bar. Patrick Stoffers instructed Sandra Hash to start the process on this.
