PUBLIC COMMENTS:

OLD BUSINESS:

ORDINANCE 00-23: AN ORDINANCE TO AMEND CHAPTER 831 WIRELESS COMMUNICATIONS FACILITY OF THE ELLETTSVILLE TOWN CODE:

David Drake, former member of the Ellettsville Plan Commission, stated that Ordinance 00-23 is basically a revision of the Monroe County Ordinance that is changed to our format for the for the Ellettsville Town Code with some changes recommended by our attorney after he reviewed the rough draft. He then reviewed the final draft and has apparently said that it was okay. A committee that was established by the Plan Commission, made up of David Drake, Jim Davis, and Bill Evans, has reviewed this. We reviewed the County ordinance, and made some minor changes to the ordinance, mainly about what the permitted zones were, as they differed from what Monroe County’s were, and some of the distances in the setbacks. Other than that, it seems to be very similar to what the county’s ordinance is, except for some changes that our attorney recommended.

A motion made to accept Ordinance 00-23 as written by Terry Baker. Frank Buczolich seconded the motion. Motion passed.
