## ELLETTSVILLE UTILITIES AUTOMATIC PAYMENT PLAN (APP)

Ellettsville Utilities provides a hassle-free monthly deduction of your utility bill from your existing checking or savings account with our Automatic Payment Plan. The payment will be deducted on the date your water and wastewater bill is due. All transactions are listed on your checking or savings account monthly bank statement. You will continue to receive your monthly bill stating the due date and the amount to be deducted from your account. You will typically see the deduction the day after the due date. The best part is it's FREE!

To participate in our Automation Payment Plan, fill out the enrollment form, attach a voided check for the checking account, a deposit slip for the savings account, or provide a form from the bank with your account information. You may mail or drop off the form at the Ellettsville Utilities Office. For your convenience, we have two drop boxes available – one at the front of the building next to our entrance and one that you may drive up to.
