

ELLETTSVILLE UTILITIES APPLICATION FOR CONSTRUCTION (POOL) METER

PLEASE PRINT BRING COMPLETED FORM TO THE ELLETTSVILLE UTILITIES OFFICE

The undersigned, being a customer of the Ellettsville Water Utility and Sewer Utility, hereby certify that he or she is a domestic and residential user of municipal water.

The following provisions with regard to said construction meter and quick connect attachment are understood and agreed to:

1. Said meter is rented from stock made available by Town of Ellettsville and at a cost of \$10.00 per week. ***Fee is payable upon return of said construction (pool) meter.***
2. The serial number of said meter shall be listed on sewer utility records and said meter, when rented, will be returned for reading by town utility employees.
3. Said meter shall be utilized to compute a credit against sewer charges otherwise based on water usage.
4. Water used and metered by such construction meter shall not be allowed to enter the municipal sanitary sewer.
5. Applicant agrees that failure on his or her part to comply with the foregoing Provisions will be grounds for cancellation of adjustment of sewage charges, on water Used and metered, by said construction (pool) meter.
6. ***Quick connect attachment must be returned with construction (pool) meter. Failure to return quick connect attachment will result in no adjustment of sewer charges on water used.***
7. Said meter will be located at the following address:

**ELLETTSVILLE UTILITIES
CONSTRUCTION (POOL) METER
DATE DUE BACK: _____**

Ellettsville Utilities Construction (Pool) Meters are offered on a first come, first served basis. Construction meters are in high demand during the Spring/Early Summer seasons.

Construction (Pool) Meters are rented for a (1) week rental @\$10.00 **per week**. *Payable when you return the Construction Meter.*

Ellettsville Utilities customers who are watering sod or new trees may be allowed to keep Construction (Pool) Meters on a week to week basis with the following stipulations:

1. Construction Meters cannot be kept longer than (1) week during our busy season if all Construction Meters are rented out. **YOU MUST CALL OUR OFFICE BEFORE YOUR CONSTRUCTION METER IS DUE BACK TO DETERMINE IF YOU CAN KEEP THE METER FOR ANOTHER WEEK.**

2. You must call the Ellettsville Utilities office at the end of the week that the Construction (Pool) Meter is due with the Reading on the Construction Meter.

**Without these readings you will not get credit on your sewage charges, on water used and metered, by said construction meter.*

Each Construction (Pool) Meter is equipped with a Quick Connect Attachment. The Quick Connect Attachment must be returned with the Construction (Pool) Meter. Failure to return the Quick Connect will result in no credit issued on the sewage charges, on water used and metered, by said construction (pool) meter.
